This Year

Israel Strong

This year
Is my set time
It is well and good
Things are not like before

Greater Achievements
Greater Victories, yes!
I know that God has installed for me
Things to make me spread my wings

And soar higher
Higher

Am thankful for the life you gave to me
For the love you showed
Am grateful for the peace and loving Kindness
You lavished on me

Oh Lord i appreciate the things that you do
So much to say
Not by power or might
It's by the spirit
And i know

CHORUS

This year surely is greater
Surely is better than ever before
This is my season

This year i keep flying higher
Shinning brighter than ever before
This is my season

Ooo ooo
Oh oh oh

Ooo ooo

Oh oh oh

VERSE 2:
This year doors are opened
Things are working out
For my good

Am thankful for the life you gave to me
For the love you showed
Am grateful for the peace and loving kindness
You lavished on me
Oh Lord i appreciate the things that you do
So much to say

Not by power or might
It's by the spirit
Yes i know

CHORUS

This year surely is greater
Surely is better than ever before
This is my season

This year i keep flying higher
Shinning brighter than ever before
This is my season

For the glory of the latter
Will be greater than the former
Do you believe
Yes i believe
O o o
This season am spreading

1 thousand fold increase
Everywhere!

CHORUS

This year surely is greater
Surely is better than ever before
This is my season

This year i keep flying higher
Shinning is brighter than ever before

This is my season

This year surely is brighter
Surely is better than ever before
This is my season

This year i keep flying higher
Shinning brighter than ever before
This is my season

Ooo ooo
Oh oh oh
Ooo ooo
Oh oh oh
