Bring It On

Handsome Devil

Hey hey, hey hey
You've got a problem, you've got a problem with me
I don't want to hear about you slagging me
After all I gave you everything
Everything ain't good enough, no
Try as you might
You can run, but you can't hide
So you want a piece of me
Bring it on
Time is money, talk is cheap
Bring it on
So if you're saying what you mean
Bring it on
Yeah bring it on, bring it on
Bring it on, bring it on, bring it
Hey hey, hey hey
Stay out of my way, stay out of my life
'Cause you ain't no stand up guy
I know what you need, a dose of reality
Yeah that sounds good to me, right
Try as you might
You can run, but you can't hide
So you want a piece of me
Bring it on
Time is money, talk is cheap
Bring it on

So if you're saying what you mean
Bring it on
Yeah bring it on, bring it on
Bring it on, bring it on, bring it
Hey hey hey hey
Try as you might
You can run, but you can't hide
Yeah, so you want a piece of me
Bring it on
Time is money, talk is cheap
Bring it on
So if you're saying what you mean

Bring it on
Yeah bring it on, bring it on
Bring it on, what did I tell you?
Just another punk talking shit
Bring it on
Just another punk talking shit
Bring it on
Just another punk talking shit
Bring it on
Yeah bring it on, bring it on, bring it on, bring it on
Bring it on, bring it on, bring it on, bring it on, bring it
Hey hey
Let's get in on
Hey hey
