

Tightrope (Glee Cast Version)

Glee Cast

Jane:

Whoa

Another day

I'll take your pain away

Some people talk about you

Like they know all about you

When you get down they doubt you

And when you tipping on the scene

Yeah they talkin' about it

Cause they can't tip all on the scene with you talkin' about it

T-t-t-talkin' about it

When you get elevated

They love it or they hate it

You dance up on them haters

Keep getting funky on the scene

While they jumpin' round you

They trying to take all your dreams

But you can't allow it

Jane (The Warblers):

Cause, baby, whether you're high or low

Whether you're high or low

You gotta tip on the tightrope (Tip, tip on it)

Tip on the tightrope (Tip, tip on it)

Baby, baby, whether you're high or low (High or low)

Baby, whether you're high or low (High or low)

You got to tip on the tightrope (Tip, tip on it)

Now let me see you do the tightrope (Tip, tip on it)

And I'm still tippin' on it

Jane:

See I'm not walkin' on it

Or trying to run around it

This ain't no acrobatics

You either follow or you lead, yeah

I'm talkin' about you

I'll keep on blaming the machine, yeah

I'm talkin' about it
T-t-t-talkin' about it

I can't complain about it
I gotta keep my balance
And just keep dancing on it
We getting funky on the scene
Yeah you know about it
Like a star on the screen
Watch me tip all on it

Jane (The Warblers):

Then, baby, whether I'm high or low (High or low)
Baby, whether you're high or low (High or low)
You gotta tip on the tightrope (Tip, tip on it)
Yeah, tip on the tightrope (Tip, tip on it)

Baby, baby, whether you're high or low (High or low)
Baby, whether you're high or low (High or low)
Tip on the tightrope (Tip, tip on it)
Baby let me see you tight rope (Tip, tip on it)
And I'm still tippin' on it

Jane with The Warblers:

I tip on alligators
And little rattle snakers
But I'm another flavor
Something like a terminator
Ain't no equivocating
I fight for what I believe
Why you talkin' about it
She's talkin' about it

Some calling me a sinner
Some calling me a winner
I'm calling you to dinner
Hey, you know exactly what I mean
Yeah I'm talking about you
You can rock or you can leave
Watch me tip without you

Jane (The Warblers):

Now-now-now whether I'm high or low (High or low)
Whether I'm high or low (High or low)
I'm gonna tip on the tightrope (Tip, tip on it)

Oooh (Tip, tip on it)

Baby, baby, whether I'm high or low (High or low)
High or low-low (High or low)
I got to tip on the tightrope (Tip, tip on it)
Now baby tip on the tightrope

You can't get too high (We can't get too high)
I said you can't get too low (We can't get too low)
Hah, cause you get too high (You can't get too high)
No you'll surely be low (No, you'll surely be low)
1, 2, 3, hah

Yeah, yeah

Now, maybe whether I'm high or low (High or low)
Baby whether you're high or low (High or low)
You gotta tip on the tightrope (Tip, tip on it)
Yeah tip on the tightrope (Tip, tip on it)

Baby, baby, whether you're high or low (High or low)
Baby, whether you're high or low (High or low)
You got to tip on the tightrope (Tip, tip on it)
Baby let me see your tightrope

Let me hear
Oh, oh, oh, oh
You-you

Hoo, yeah, yeah, yeah, yeah, yeah, yeah
You got to give up, oh
Oooooo yeah, yeah

You've got to stay on the scene
Yeah, yeah
Tightrope
Hey, yeah, yeah
