

# Whisper Jesus

[John Starnes](#)

There is a name I love to whisper;  
any time of day or night.  
And though the peace  
that accompanies it's mention,  
no tongue can tell, no pen can write.

Whisper Jesus. I love you, Jesus.  
Heaven's peace will flood your soul.  
Whisper Jesus. I love you, Jesus.  
Heaven's peace will flood your soul.

And if we then would please our master.  
Then we would praise Him more.  
Oh how He loves to hear us whisper;  
Jesus, I love you, Lord.

Whisper Jesus. I love you, Jesus.  
Heaven's peace will flood your soul.  
Whisper Jesus. I love you, Jesus.  
Heaven's peace will flood your soul.

Whisper Jesus. I love you, Jesus.  
Heaven's peace will flood your soul.  
Whisper Jesus. I love you Jesus.  
Heaven's peace will flood your soul.  
Whisper Jesus. I love you Jesus.  
( I love you)  
Heaven's Peace will flood your soul.  
Heaven's Peace will flood your soul.  
(Whisper Jesus.)
