

# Barbarella Fortuneteller

**Boney M.**

You want to know what's written in the stars  
And you're in Rio, go to Barbarella's bar  
With a magic circle as that company  
Today she writes tomorrow's diary Barbarella, magical Barbarella  
Mystical fortuneteller, painting a sky of blue  
Do you know Barbarella, magical Barbarella  
Mystical fortuneteller, selling your dreams to you Oh oh oh  
Oh oh oh  
Oh oh oh You take a look into her gypsy eyes  
You'll get the feeling that she never ever lies  
She will seduce you with that misty look  
She's gonna read you like an open book Barbarella, magical Barbarella  
Mystical fortuneteller, painting a sky of blue  
Do you know Barbarella, magical Barbarella  
Mystical fortuneteller, selling your dreams to you Oh oh oh  
Oh oh oh  
Oh oh oh Heya, make the future very clear  
Don't you be too shy  
Heya, while you whisper in my ear  
Tell another lie Barbarella, magical Barbarella  
Mystical fortuneteller, selling your dreams to you Oh oh oh  
Oh oh oh  
Oh oh oh Barbarella, magical Barbarella  
Mystical fortuneteller
