Hiding In the Shadows (LP Version)

Leslie Phillips

It's been a while
Since she's felt she could look someone in the eye
Quite a while
Since she's felt the strength to even tryAnd all of her sins are piled
Like a tower of doom
And no one knows
She's not what they assume'Cause she's been hiding in the shadows
Of a lie
Hiding in the shadows
You can dieSo sincere
No one could have doubted where she stood
But through the years
Only her intentions remained goodAnd like an actress
Typecast in a picture perfect part
She played a role
But it wasn't from the heartAnd now she's hiding in the shadows
Of a lie
Hiding in the shadows
You can dieIt only gets harder
To tell the truth
And one lie
Is never enoughIt may be hard to admit
You've failed him now and then
But healing comes
When his light illuminates your sinAnd people might reject you
When the truth is hard to bear
But failure is the one thing
We all shareSo don't go hiding in the shadows
Of a lie
Consider hiding in the shadows
You can dieHiding in the shadows
Of a lie
Consider hiding in the shadows
You can dieHiding in the shadows
Hiding in the shadows
Hiding in the shadows
Hiding in the shadowsHiding in the shadows
Hiding in the shadows

Hiding in the shadows
