

# Getting Better

## Smash Mouth

It's getting better all the time I used to get mad at my school  
(No, I can't complain)  
The teachers who taught me weren't cool  
(No, I can't complain)  
You're holding me down, turnin' around  
Feeling me up with your rules I've got to admit, it's getting better  
(Better)  
A little better all the time  
(No, I can't complain)  
I have to admit, it's getting better  
(Better)  
A little better since you've been mine I used to be an angry young man  
Be hiding my head in the sand  
You gave me the word, I finally heard  
I'm doing the best that I can, yeah I've got to admit, it's getting better  
(Better)  
A little better all the time  
(No, I can't complain)  
I have to admit, it's getting better  
(Better)  
It's getting better since you've been mine Getting so much better all the time  
(It's getting better all the time)  
(Better, better, better)  
It's getting better all the time  
(Better, better, better) I, I have to admit it's getting better  
(Better)  
A little better all the time  
(No, I can't complain)  
You're stressed, I admit it's getting better  
(Better)  
It's getting better since you've been mine  
Getting so much better all the time
