

# Jump

Rihanna

Jump, jump, jump, jump, jump, jump Tell me that you love me when you know you don't love

But I guess I guess I guess is all good

You can play the game, I'mma still do my thang

Ain't no better way for it to be put

When you fuck them other girls I bet they be wondering why you always call my name

You think I'm gonna wait around

I ain't got all day You don't need another lover

Don't you let it go

I already got it covered, let the others know If you want it let's do it

Ride it, my pony, my saddle

Is waitin', come and, jump on it

If you want it let's do it

Ride it, my pony, my saddle

Is waitin', come and, jump on it Jump, jump, jump, jump, jump, jump Think I give a damn boy don't you know  
who I am

I ain't runnin' 'round kissing no dude

Think somebody else like me gon' come around

Boy you got it misunderstood

Put it in your face but you wreckin' us yet

Like you can't recognize a good thing Now that you got a chance

Tell me what it's gon' be? You don't need another lover

Don't you let it go

I already got it covered, let the others know If you want it let's do it

Ride it, my pony, my saddle

Is waitin', come and, jump on it

If you want it let's do it

Ride it, my pony, my saddle

Is waitin', come and, jump on it Jump, jump, jump, jump, jump, jump You say it's my fault, OK I get it

You ain't pick up your calls, I'm like forget it

See you put up your wall

You know you did it, the rise and the fall, just admit it

You say it's my fault, okay I get it

You ain't answer your calls, I'm like forget it

It's the the rise and the fall

It's the the rise and the fall

And you could have had it all If you want it let's do it

Ride it, my pony, my saddle

Is waitin', come and, jump on it

If you want it let's do it

Ride it, my pony, my saddle  
Is waitin', come and, jump on itJump, jump, jump on it  
Jump, jump, jump on it  
Jump, jump, jump on it  
Jump on it, jump on it  
Jump, jump, jump on it  
Jump, jump, jump on it  
Jump, jump, jump on it  
Jump on it, jump on it
