

# Streamline

## Pendulum

Beginning is a vocal clip from an interview:

There is static at the beginning which is mixed voices of the following interview audio "it's like the original sound"

Intro Audio:

Rob:

"It's like the Original sound of a Being who's about to... Accentuate... himself from..."

Interviewer Response:

"Was that it?"

Rob:

"it's about really what surrounds you quite through and through...  
What you're... originally about in the first place..."

Verse: (guesses)

And so enough comes or goes to enough. Come in here  
And so enough comes or goes to enough. Come and hide

Bridge:

raise your head (x4)

Chorus:

(backup vocal) Let it come...

"Let it come streamline"

(Let it come)...

"Let it come in time"

(x2)
