

Come On Home

The Hollies

[Chorus]

I'm telling you

I'm telling you

I'm telling you to come on home

I've been told many times about you
About your lies that you've never been true

Now I found out

You left here on your own

Now I found out

[Chorus]

In the future darling be true
How many times has this happened to you But

[Chorus]

C'mon baby now
