Menschenfresser (Eat Me)

Suicide Commando

I love the thought you're eating me it's my desire to be eaten by you I am your flesh be part of me I'm looking forward to be slaughtered by you I love the pain inside of me let's go to diner for the very last time it sounds insane but not to me it's the perversion of a really sick mind hang me nail me anything that pales me eat the other half of me kill me rape me anything that hurts me eat the other half of me nail me anything that pales me eat the other half of me kill me rape me anything that hurts me eat the other half of me
