

# Oh My Heart

R.E.M.

The kids have a new take, a new take on faith  
Pick up the pieces, get carried away  
I came home to city half erased  
I came home to face what we faced This place needs me here to start  
This place is the beat of my heart Oh my heart, oh my heart  
Oh my heart  
Oh my heart, oh my heart  
Oh my heart Storm didn't kill me, the government changed  
Hear the answer call, hear the song rearranged  
Hear the tress, the ghosts and the buildings sing  
With the wisdom to reconcile this thing It's sweet and it's sad and it's true  
How it doesn't look bitter on you Oh my heart, oh my heart  
Oh my heart  
Oh my heart, oh my heart  
Oh my heart Mother and father  
I stand beside you  
The good of this world  
Might help see me through This place needs me here to start  
This place is the beat of my heart Oh my heart, oh my heart  
Oh my heart  
Oh my heart, oh my heart  
Oh my heart Oh my heart, oh my heart  
Oh my heart  
Oh my heart, oh my heart  
Oh my heart
