

Alfie

Joss Stone

What's it all about, Alfie?
Is it just for the moment we lie?
What's it all about when you sort it out, Alfie?
Are we meant to take more than we give
Or are we meant to be kind? And if only fools are kind, Alfie
Then I guess it is wise to be cruel
And if life belongs only to the strong, Alfie
What will you lend on an old golden rule? As sure as I believe there's a heaven above, Alfie
I know there's something much more
Something even non-believers can believe in
I believe in love, Alfie Without true love we just exist, Alfie
Until you find the love you've missed you're nothing, Alfie
Oh, Alfie When you walk let your heart lead the way
And you'll find love any day
Alfie
Alfie Would you tell me what's it all about?
What's it all about? Alfie, Alfie, Alfie
What's it all about? What's this all about?
What's it all about Alfie?
Tell me What's it all about Alfie?
What's it all about Alfie?
Just tell me yeah
What's it all about?
What's it all about?
