

Judas Kissed the Door To Heaven

Marvin Morrow

He walked with The master
as He thought here on Earth
He saw Lazarus brought back to life
All the wonders He saw,
the Bible don't tell,
Judas kissed the door to Heaven
and walked through the gate to Hell

ch: He stood by the Gate,
but he never held the key,
Satan owned his soul,
and his heart refused to see
He was given the power
and was numbered with the 12,
Judas kissed the door to Heaven,
and walked through the gate to Hell

There in the Garden,
With a kiss on the cheek,
he sealed his fate for all eternity,
For a small bag of silver,
his soul he did sell,
Judas kissed the door to Heaven
than walked through the gate to Hell.
