# I Need You Now

## Agnes

I'm fine, don't believe it
You know me enough to know that's a lie
I'm close, hard as it is to say
To totally answer barely holding on
I need you now
I need you now, don't turn away
I need you now
Please don't turn me away
Out here where I've been spinning
It's nearly impossible to slow down
One night of your company
Might be the only thing to keep me sane
I need you now
I need you now, don't turn away
I need you now
Please don't turn me away
How many times have I come to you
Vulnerable like this?
I know you have the right to question
But please don't ask
I need you now
(The clock is ticking and the fuse is burning)
Oh, I need you now
(Can't keep running from what is coming)
Don't turn me away
(The clock is ticking and the fuse is burning)
Don't turn me away
(Can't keep running from what is coming)
I need you now
I need you now, don't turn away
I need you now
Please don't turn me away
I need you now
(The clock is ticking and the fuse is burning)
Can't keep running from what is coming
The clock is ticking and the fuse is burning
Can't keep running from what is coming
I need you now
I need you now

Please don't turn me away
I need you now
