

#GOTW (feat. Tiffany Wilson)

Joshua Cole

Refrain: God of this world you are

God of this place

We Give you praise

And bless your Name

Oh oh oh Verse 1: You placed the stars in the sky

And you know them all by name

You count the hairs on my head

You always stay the same

Ancient of Days you reign forever

Never ending you are God

You are God! Verse 2: You're the King of this world

None other conquers you

You make a decree and it's so

No other voice is true

You're the Lord uncontainable

Contains all and you're so

So Amazing to me Bridge: Oh Lord my God

When I in awesome wonder

Consider all the worlds thy hands have made

I see the stars I hear the rolling thunder

Thy power throughout the universe displayed

How great thou art
