

# The Only One

Lionel Richie

Let me tell you now all that's on my mind  
For a love like yours is oh so very hard to find  
I've looked inside myself now I'm very sure  
There can only be you for me, I need you more and more  
You turned me inside out and you showed me  
What life was about, only you  
The only one that stole my heart away  
I wanna do all I can just to show you  
Make you understand, only you  
The only one that stole my heart away  
When you're in my arms, when I'm close to you  
There's a magic in your touch that just comes shining through  
Want you everyday, want you every night  
There can only be you for me, you make it seem so right oh girl 'cause  
You turned me inside out and you showed me  
What life was about, only you  
The only one that stole my heart away  
In my mind there's no other love  
You're the only girl my heart and soul is thinking of  
Only you, only me  
(Only me)  
There can never ever be another  
That understands the way that I feel inside 'cause  
You turned me inside out and you showed me  
What life was about, only you  
The only one that stole my heart away  
Yeah you turned me inside out and you showed me  
What life was about, only you  
The only one that stole my heart away  
(You stole my heart away)  
You stole it  
(You stole my heart away)  
Only you  
The only one that stole my heart away  
Yeah you  
(You stole my heart away)  
Oh you stole it  
(You stole my heart away)  
Only you  
The only one that stole my heart away  
(You stole my heart away)  
(You stole my heart away)
