

Take Me There

Rascal Flatts

There's a place in your heart nobody's been
Take me there
Things nobody knows, not even your friends
Take me there Tell me 'bout your mama, your daddy, your hometown, show me around
I wanna see it all, don't leave anything out I wanna know everything about you then
And I wanna go down every road you've been
Where your hopes and dreams and wishes live
Where you keep the rest of your life hid
I wanna know the girl behind that pretty stare
Take me there Your first real kiss, your first true love
You were scared, show me where
You learned about life, spent your summer nights
Without a care I wanna roll down Main Street, the back roads
Like you did when you were a kid
What made you who you are
Tell me what your story is I wanna know everything about you then
And I wanna go down every road you've been
Where your hopes and dreams and wishes live
Where you keep the rest of your life hid
I wanna know the girl behind that pretty stare
Take me there Yeah, I wanna know everything about you
Yeah, everything about you baby
I wanna go down every road you've been
Where your hopes and dreams and wishes live
Where you keep the rest of your life hid
I wanna know the girl behind that pretty stare
Take me, take me, take me there I wanna roll down Main Street
I wanna know your hopes and your dreams
Take me, take me there
