

Catapult

R.E.M.

Ooh we were little boys
Ooh we were little girls
It's nine o'clock don't try to turn it off
Cowered in a hole opie mouth. Question,
Did we miss anything? Did we miss anything?
Did we miss anything? Did we miss anything?
Catapult, catapult, catapult, catapult.Ooh we were little boys
Ooh we were little girls
It's nine o'clock don't try to turn it off
Cowered in a hole opie mouth.
We in step in hand your mother remembers this.
Hear the howl of the rope, a question:
Did we miss anything? Did we miss anything?
Did we miss anything? Did we miss anything?
Catapult, catapult, catapult, catapult.March could be darker.
March could be darker.
Catapult, catapult, catapult, catapult.Ooh we were little boys
Ooh we were little girls
It's nine o'clock don't try to turn it off
Cowered in a hole opie mouth.
We in step in hand your mother remembers this.
Hear the howl of the rope, a question:
Did we miss anything? Did we miss anything?
Did we miss anything? Did we miss anything?
Catapult, catapult, catapult, catapult.
