

# I Stand Accused

## Angelic Upstarts

I stand accused, I feel abused, won't someone listen to me?  
I see your face; I see no trace. I ask no sympathy  
I stand accused, I feel abused, won't someone listen to me?  
I see your face; I see no trace. I ask no sympathy. Two men can seal my fate, and you, you just see them straight  
No flaws, no falses, so secure, how can you be so sure?  
I stand accused, I feel abused, won't someone listen to me? I see your face; I see no trace. I ask no sympathy  
How do you sleep at nights, you must be so sure that  
I'm the one who speaks no truth, how can you be so sure?  
I stand accused, I feel abused, won't someone listen to me?  
I see your face; I see no trace. I ask no sympathy. Do it, do it, do it, do it, do it to me,  
I have no faith in your liberty,  
can you see by the way I dress,  
I'm not your level, I am less. I stand accused, I feel abused, won't someone listen to me?  
I see your face; I see no trace. I ask no sympathy  
I stand accused, I feel abused, won't someone listen to me?  
I see your face; I see no trace. I ask no sympathy
