Parachute

Sean Lennon

Love is like an aeroplane
Jump and then you pray
Lucky ones remain
In the clouds for days
Life is just a stage
Let's put on the best show
And let everyone know
'Cause if I have to die tonight
I'd rather be with you
Cut the parachute before you die
Baby don't you cry
You had to bring me down
We had some fun before we hit the ground
Love is like a hurricane
You know it's on the way
You think you can be brave
Underneath the waves
Life is just a dream
Which of us is dreaming?
And who will wake up screaming?

'Cause if I have to die tonight
I'd rather be with you
Cut the parachute before you die
Baby don't you cry
You had to bring me down
We had some fun before we hit the ground
'Cause if I have to die tonight
I'd rather be with you
Cut the parachute before you die
Baby don't you cry
You had to bring me down
We had some fun before we hit the ground
'Cause if I have to die tonight
I'd rather it was you
Cut the parachute before you die
Baby don't you cry
You had to bring me down
We had some fun before we hit the ground
