

# Parachute

Sean Lennon

Love is like an aeroplane  
Jump and then you pray  
Lucky ones remain  
In the clouds for days  
Life is just a stage  
Let's put on the best show  
And let everyone know  
'Cause if I have to die tonight  
I'd rather be with you  
Cut the parachute before you die  
Baby don't you cry  
You had to bring me down  
We had some fun before we hit the ground  
Love is like a hurricane  
You know it's on the way  
You think you can be brave  
Underneath the waves  
Life is just a dream  
Which of us is dreaming?  
And who will wake up screaming?

'Cause if I have to die tonight  
I'd rather be with you  
Cut the parachute before you die  
Baby don't you cry  
You had to bring me down  
We had some fun before we hit the ground  
'Cause if I have to die tonight  
I'd rather be with you  
Cut the parachute before you die  
Baby don't you cry  
You had to bring me down  
We had some fun before we hit the ground  
'Cause if I have to die tonight  
I'd rather it was you  
Cut the parachute before you die  
Baby don't you cry  
You had to bring me down  
We had some fun before we hit the ground
