## Dance Conspiracy

White lines on your mind, keep it steady  
You were never ready for the lies  
White lines on your mind, keep it steady  
You were never ready for the lies  
You don't have no Doctor Robert  
You don't have no Uncle Albert  
You don't even have good credit  
You can write but you can't edit  
You don't have no Doctor Robert  
You don't have no Uncle Albert  
You don't even have good credit  
You can write but you can't edit
