

Little Wonder (Danny Sabre Dance mix)

David Bowie

Stinking weather, fat shaky hands
Dopey morning doc, grumpy gnomes
Little wonder then, little wonder
You little wonder, little wonder you
Big screen dolls, tits and explosions
Sleepy time, bashful but nude
Little wonder then, little wonder
You little wonder, little wonder you
I getting it
Enter galactic, see me to be you
It's all in the tablets, sneezy Bhutan
Little wonder then, little wonder
You little wonder, little wonder you
Mars happy nation, sit on my karma
Dame meditation, take me away
Little wonder then, little wonder
You little wonder, little wonder you
Sending me so far away, so far away
So far away, so far away, so far away, so far away
So far away, so far away, so far away, so far away
So far away, so so far away, so far away, so far away
So far away, so so far away
Little wonder
You little wonder, you
Little wonder
You little wonder, you
Sending me so far away, so far away
So far away, so far away, so far away, so far away
So far away, so far away, so far away, so far away
So far away, so so far away, so far away, so far away
So far away, so so far away
Little wonder, you little wonder, you
Little wonder, you little wonder, you
You little wonder, little wonder you
Little wonder then, little wonder
You little wonder, little wonder you
