

# Call On Me (Remastered Version)

## Bad Company

When the rain is falling and you feel like you are a stranger  
And the time is passing you by is a lonely time and you want to fly  
Call on me, call on me  
Call on me, call on me  
I'll be by your side When you turn around, needing somebody there  
Who can give you love and show you good care  
If there's a place inside you that's empty and cold  
You may need my love, to have, to hold Call on me, call on me  
Call on me, call on me  
I'll be by your side  
To keep you satisfied I want to keep you satisfied Call on me, call on me  
Call on me, call on me  
I'll be by your side  
To keep you satisfied When the clear light of a winter's day  
Blows cold and hard and the future is grey  
You can always have the fire of love  
To keep you warm as the sun above Call on me, call on me  
Call on me, call on me  
I'll be by your side  
To keep you satisfied  
I'll be by your side  
To keep you satisfied Don't worry about the rain, baby  
I'll keep you dry  
I'll keep you warm inside  
And satisfied Don't worry about the rain  
I'll keep you dry, I'll keep you dry  
Call on me, baby, call on me, baby
