

Could I Have This Kiss Forever

Enrique Iglesias

Dame un beso para siempre
Over and over I look in your eyes
You are all I desire
You have captured me
I want to hold you
I want to be close to you
I never want to let go
I wish that this night would never end
I need to know
Could I hold you for a lifetime?
Could I look into your eyes?
Could I have this night to share this night together?
Could I hold you close beside me?
Could I hold you for all time?
Could I, could I, could I have this kiss forever?
Could I, could I, could I have this kiss forever?
Forever
Over and over I've dreamed of this night
Now you're here by my side
You are next to me
(You are next to me)
I want to hold you and touch you and taste you
And make you want no one but me
I wish that this kiss could never end
Oh baby, please
(Could I?)
Could I hold you for a lifetime?
Could I look into your eyes?
Could I have this night to share this night together?
(Un beso para siempre, para siempre)
Could I hold you close beside me?
Could I hold you for all time?
Could I, could I, could I have this kiss forever?
Could I, could I, could I have this kiss forever?
And ever
I don't want any night to go by
Without you by my side
I just want all my days
Spent being next to you
Lived for just loving you
And baby, oh by the way
(Could I hold you?)
Could I hold you for a lifetime?
Could I look into your eyes?
Could I have this night to share this night together?
Could I hold you close beside me?
(Could I? Just wanna hold you)

Could I hold you for all time?
Could I, could I, could I have this kiss forever?
Could I, could I, could I have this kiss forever?
Forever and ever
Forever Could I have this kiss forever?
Could I have this kiss forever?
S  lo, s  lo un beso, un beso para siempre
Para siempre
Dame un beso para siempre
Para siempre
Could I have this kiss forever?
Could I have this kiss forever?
