# I Am Anointed

## Marvia Providence

If your hands are anointed clap themÂ
If your feet are anointed stomp themÂ
And if your under the blood
Give me a holy ghost shout uuuuui

If your hands are anointed, clap themÂ
If your feet are anointed, stomp themÂ
And if your under the blood
Give me a holy ghost shout, uuuuui

I am anointedÂ
putting the enemy under my feetÂ
I am anointedÂ
Moving forward no more defeatÂ
I am breaching wall on the enemyÂ
Taking back what was stolen from meÂ
I am anointed, I am anointedÂ
I a mighty warrior in God's armyÂ

I am anointedÂ
putting the enemy under my feetÂ
I am anointedÂ
Moving forward no more defeatÂ
I am breaching wall on the enemyÂ
Taking back what was stolen from meÂ
I am anointed, I am anointedÂ
I a mighty warrior in God's army

I am taking back, taking backÂ
my land, taking backÂ
my health, taking backÂ
All he stole from meÂ
I a mighty warrior in God's army
