

Superfreak (cf. MC Hammer!)

Rick James

She's a very kinky girl,
The kind you don't take home to mother
She will never let your spirits down,
Once you get her off the street. She likes the boys in the band,
She says that I'm her all time favorite
When I make my move to her room,
It's the right time, she's never hard to please. That girl is pretty wild now
The girl's a super freak
The kind of girl you read about
In the new wave magazines.
That girl is pretty kinky
The girl's a super freak
I'd really like to taste her
Every time we meet.
She's all right, she's all right
That girl's all right with me yeah.
She's a super freak, super freak,
She's super freaky, super freak, super freak. She's a very special girl,
From her head down to her toenails
Yet she'll wait for me at backstage with her girlfriends,
In a limousine. There's not a crowd to her, she said
"Room 714, I'll be waiting."
When I get there she's got incense, wine and candles
It's such a freaky scene. That girl is pretty wild now
The girl's a super freak
The kind of girl you read about
In the new wave magazines.
That girl is pretty kinky
The girl's a super freak
I'd really like to taste her
Every time we meet.
She's all right, she's all right
That girl's all right with me yeah.
She's a super freak, super freak,
She's super freaky, super freak, super freak.
Temptations sing, oh, super freak,
Super freak, the girl's a super freak, oh. She's a very kinky girl,
The kind you don't take home to mother
She will never let your spirits down,

Once you get her off the street.
