

# Drop The Pilot

Mandy Moore

I'm right on target  
My aim is straight  
So you're in love  
I say what of it  
Things can change  
There's always changes  
And I wanna try  
Some rearranging  
I say  
Drop the pilot  
Try my balloon  
Drop the monkey  
Smell my perfume  
Drop the mahout  
I'm the easy rider  
Don't use your army  
To fight a losing battle  
Animal, mineral, physical, spiritual  
I'm the one you need  
I'm the one you need  
You're kissing cousins  
There's no smoke, no flame  
If you lose that pilot  
I'll come fly your plane  
If you want solid ground  
Come on and try me  
Or I can take you so high  
That you're never gonna wanna come down

I say  
Drop the pilot  
Try my balloon  
Drop the monkey  
Smell my perfume  
Drop the mahout  
I'm the easy rider  
Don't use your army  
To fight a losing battle

Animal, mineral, physical, spiritual

I'm the one you need  
I'm the one you need  
I said, animal, mineral, physical, spiritual  
I'm the one you need  
I'm the one you need  
I'm the one you need  
Drop the pilot  
Try my balloon  
Drop the monkey  
Smell my perfume  
Drop the mahout  
I'm the easy rider  
Don't use your army  
To fight a losing battle  
Drop the pilot  
Try my balloon  
Drop the monkey  
Smell my perfume  
Drop the mahout  
I'm the easy rider  
Don't use your army  
To fight a losing battle  
Animal, mineral, physical, spiritual  
I'm the one you need  
I'm the one you need  
Drop the pilot  
Drop the monkey  
Drop the mahout  
Well, I'm the easy rider  
Don't use your army  
To fight a losing battle  
Animal, mineral, physical, spiritual  
I'm the one you need  
I'm the one you need  
I'm the one you need
