

Killing Strangers

[Marilyn Manson](#)

Advisory - the following lyrics contain explicit language:

This world doesn't need no opera, we need it for the operation
We don't need a bigga knife (a bigga knife)
'Cause we got guns, we got guns, we got guns (we got guns)
We got guns, you betta run (ya betta run, ya betta run, ya betta run) We're killin' strangers, we're killin' strangers
We're killin' strangers, so we don't kill the ones that we love
We're killin' strangers, we're killin' strangers
We're killin' strangers, so we don't kill the ones that we love Love, love We pack demolition
We can't pack emotion
Dynamite, we just might
So blow us a kiss, blow us a kiss
Blow us a kiss, and we'll blow you to pieces We're killin' strangers, we're killin' strangers
We're killin' strangers, so we don't kill the ones that we love
Love, love, love And we got guns, we got guns
Motherfuckers better, better better run
We got guns, we got guns
Motherfuckers better run We got guns, we got guns
Motherfuckers better, better better run
We got guns, we got guns
Motherfuckers better run We're killin' strangers, we're killin' strangers
We're killin' strangers, so we don't kill the ones that we love
We're killin' strangers, we're killin' strangers
We're killin' strangers, so we don't kill the ones that we love
Love, love, love, love, love, love You better run
We got guns, we got guns, we got gunse
