Do It Up

[Mitchel Musso](#)

So you wanna take a ride with me?
Yeah, you want a break but honestly, no
I'm not gonna save you and make it all alright
Get down with that, it's going down tonight
But first of all you gotta dance with me
And then I'll tell you what it's gonna be
Come a little closer, I'm not gonna bite
Come on, come on, let's do it up tonight
Let's do it up, let's do it up
I don't want your time to be a friend, no
Yeah, I could tell you now it's gonna end
And don't think you can save me, there is not me and you
Get down with that, I know what we could do
But first of all you gotta dance with me
And then I'll tell you what it's gonna be
Come a little closer, I'm not gonna bite
Come on, come on, let's do it up tonight
I don't like pretending, you are mine
That is never ending, keep it in mind
That were never gonna make it now, yeah
That were never gonna make it, hey, hey
Never ever gonna make it
But first of all you gotta dance with me
And then I'll tell you what it's gonna be
Come a little closer, I'm not gonna bite
Come on, come on, let's do it up tonight
Let's do it up, let's do it up
Let's do it up, let's do it up
Let's do it up, let's do it up
Let's do it up
Come a little closer, I'm not gonna bite
Come on, come on, let's do it up tonight
