I Love Your Crazy

Jasmine V

Woke up in a daze
I'm still amazed by how fast you changed
Can it be the other you's gone away?I know no one is perfect, perfect's impossible
Baby I'm not tryna seem impossible, I just need satisfaction
I think you're worth it
Do you think I'm worth it?
Cause it doesn't show
You started to show the other sideMonday you're mad
Tuesday you're sad
Wednesday you're perfect
Thursday you're bad
Personality changing like crazy
Friday you're crazy
I think actually
I love your crazy, I love your crazyPromise, promise, you should never let it leave your mind
It's funny how on Sundays you're back around
BabyI know no one is perfect, perfect's impossible
Baby I'm not tryna seem impossible, I just need satisfaction
I think you're worth it
Do you think I'm worth it?
Cause it doesn't show
You started to show the other sideMonday you're mad
Tuesday you're sad
Wednesday you're perfect
Thursday you're bad
Personality changing like crazy
Friday you're crazy
I think actually
I love your crazy, I love your crazy
