Sweet Love

Meshell Ndegeocello

Tell me, what is a girl to do?
I try so very hard to try and please you
Even though you know you don't really care
Or is that you find your feelings too hard to share?Friends say I'm crazy for the way that I feel
You don't love me now, you probably never will
But my love is far stronger than pride
Even though I know
There'll always be another by your sideLet me make sweet love to you, baby
Let me make sweet love to you, babyCry my tears by candlelight, I'm just another lonely heart
Here on a lonely night, screams of passions
I call out your name making love to another
Just to ease my pain, will this ever change?
Will you ever feel the same way about me?
