Two Lovers Tonight

Sandra

(Cassandra/Besser - Cretu/Hirschburger)
you stop my daydream
you choke my heart
why does the moment
find us apart
an' the heads are turnin' on my way
while i'm walkin' there alone
i got something that i can't delay
is it you
two lovers tonight are right
they catch my fall
i'm goin' to light that night with you
i'm gonna be right tonight
cos i'll catch your fall
two lovers tonight
you will be givin'
you got a start
why can't the music
light up your heart
does the music drift you far away
while the hours come an' go
who is startin' now to find a way
is it you
two lovers tonight are right
they catch my fall
i'm goin' to light that night with you
i'm gonna be right tonight
cos i'll catch your fall
two lovers tonight
