Bad Lieutenant

The Sheepdogs

I'm a bad, bad, man
Don't you understand
I'm a bad, bad, man
Best you turn and ran, oh ohAll my life I've been kicked around
Nobody breaks me, they cant keep me downI'm a bad bad man
I'm a bad, bad, manAnd I pour your misfortune
And hold it in your hand
Well it's a cold hard bargain
For you to understand, woah ohUp all night, I haven't slept for days
Do you wrong, in the worst of waysI'm a bad bad man
I'm a bad bad man*******solo break*********I pay the price
Such a heavy tole
It's cold and dark
Way down in the holeI'm a bad, bad, man
I'm a bad man_____outro/solo out
