Independent Trucker (feat. George Jones)

LoCash Cowboys

Are you ready to go now
Well my daddy' was a world class trucker,
He met my momma on a four day trip,
And she swears to me I was conceived at a big rig dealership,
Well the story goes the day I
was born he hit the road and never looked back,
My daddy went and named me a big mistake but my momma always called me Mack,
Hauling chug-a-lugging threw the rain and snow,
Ya I'm a hauling I put the hammer down and let her roll son,
My babies calling' saying baby when you gonna come home,
Yeah I'm an Independent trucker,
A mother lovin' overloading owner operator, just a tearing up a two lane road,
I got the chrome girls on my mud flaps, I got a cup of coffee on my dashboard,
I gotta a custom airbrush desert scene, LoCash painted on the door, I got a cross of jesus on the grill,
Lights it up like a Christmas tree,
Any highway anytime of day,
That's where I want to be, I'm a hauling only 700 miles to go, I'm a hauling I put the hammer down and let it roll,
My babies calling saying baby won't you come on home, I'm an independent trucker,
A mother lovin' overloading owner operator just a tearing up a two lane road,Tear it up son,
AaahawI'm a Hauling chug-a-lugging threw the rain and snow,
Hauling I put the hammer down and let her roll son,
My babies calling' saying baby when you gonna come home, I'm an Independent trucker,
A mother lovin' overloading owner operator just a tearing up a two lane road,
Yeah I'm an Independent trucker,
A mother lovin' overloading owner operator just a tearing up a two lane road,
Oooh a breaker breaker 19,
