To See My Angel Cry

Conway Twitty

See her there, see her cryin'
She thinks she loves him so
She don't know how much it hurts me
To hear her beg him not to goIf she were mine again, I'd never
(Oooh)
Let the tears fill her eyes
(Oooh)
She don't know how much it hurts me
To see an angel cryOnce she built her world around me
But like a fool I tore it down
An' she begged me not to leave her
Just the way she's doin' nowNow she's beggin' to another
(Oooh)
With that same hurt in her eyes
(Oooh)
She don't know how much it hurts me
To see an angel cry(Oooh)
I didn't know how much I loved her
Till she turned and walked away
I didn't know how much I'd hurt her
(Oooh)
Till I saw her here this way
(Oooh)If she were mine I'd hold her forever
And dry the tears from her eyes
She don't know how much it hurts me
To see my angel cry
She don't know how much it hurts me
To see my angel cry
(Oooh)
