

# To See My Angel Cry

Conway Twitty

See her there, see her cryin'  
She thinks she loves him so  
She don't know how much it hurts me  
To hear her beg him not to go  
If she were mine again, I'd never  
(Ooh)  
Let the tears fill her eyes  
(Ooh)  
She don't know how much it hurts me  
To see an angel cry  
Once she built her world around me  
But like a fool I tore it down  
An' she begged me not to leave her  
Just the way she's doin' now  
Now she's beggin' to another  
(Ooh)  
With that same hurt in her eyes  
(Ooh)  
She don't know how much it hurts me  
To see an angel cry  
(Ooh)  
I didn't know how much I loved her  
Till she turned and walked away  
I didn't know how much I'd hurt her  
(Ooh)  
Till I saw her here this way  
(Ooh)  
If she were mine I'd hold her forever  
And dry the tears from her eyes  
She don't know how much it hurts me  
To see my angel cry  
She don't know how much it hurts me  
To see my angel cry  
(Ooh)
