

Outside

Birds Of Fire

I think I'm done with the sofa
I think I'm done with the hall
I think I'm done with the kitchen table, baby
 Let's go outside in the sunshine
I know you want to, but you can't say yes
 Let's go outside in the moonshine
 Take me to the places that I love best
 So my angel she says, "Don't you worry
 'Bout the things they're sayin', yeah
 Got no friends in high places
 And the game that you gave away
 Wasn't worth playing"
 Let's go outside in the sunshine
I know you want to but you can't say yes
 Let's go outside in the meantime
 Take me to the places that I love best
 And yes, I've been bad
Doctor, won't you do with me what you can?
 You see, I think about it all the time
 Twenty-four seven
 You say you want it, you got it
 I've never really said it before
There's nothin' here but flesh and bone
 There's nothin' more, nothin' more
 There's nothin' more
 Back to nature
 Just human nature
 Gettin' on back to
 I think I'm done with the sofa
 I think I'm done with the hall
I think I'm done with the kitchen table, baby
 Let's go outside in the sunshine
I know you want to but you can't say yes
 Let's go outside in the moonshine
 Take me to the places that I love best
 And yes, I've been bad
Doctor, won't you do with me what you can?
 You see I think about it all the time
 I'd service the community

But I already have, you see
I never really said it before
There's nothing here but flesh and bone
There's nothing more, nothing more
There's nothing more, let's go outside
Dancing on the d train, baby
When the moon is high
And the grass is jumpin'
Come on, just keep on funkin'
Keep on funkin', just keep on funkin'
