

Lord of All

Bri (Briana Babineaux)

He is a mighty good God
for him there's nothing to hard.
There is no problem he can't solve
You are the Lord of all. In him I find no fault
In him there is no failure
In him i will not lack
He is the Lord of all. In you i find no fault
In you there is no failure
In you I will not lack
You are the Lord of all. You are God who the still rains
power in your strong name
I will shout & I'll proclaim
You are the Lord of all (Vamp) You are the Lord of all (repeat)
Yes you are Yes you are (repeat) YOU ARE THE LORD OF ALL....
