Gone

N-Sync

There's a thousand words that I could say
To make you come home, yeah
Seems so long ago you walked away
And left me aloneAnd I remember what you said to me
You were acting so strange
And maybe I was too blind to see
That you needed a changeWas it something I said to make you turn away
To make you walk out and leave me cold
If I could just find a way
To make it so that you were right here, right nowI've been sittin' here, can't get you off my mind
I'm tryin' my best to be a man and be strong
I've drove myself insane wishing I could touch your face
But the truth remainsYou're gone, you're gone
Baby, you're gone, girl, you're gone
Baby girl, you're gone
Gone, gone, you'reNow I don't wanna make excuses, baby
Won't change the fact that you're gone, no, no
But if there's something that I could do
Won't you please let me knowThe time is passing so slowly now
Guess that's my life without you
And maybe I could change my every day, yeah
But baby, I don't want toSo I'll just hang around and find some things to do
To take my mind off missing you
And I know in my heart you can't say
That you don't love me too, please say you do
YeahI've been sittin' here, can't get you off my mind
I'm tryin' my best to be a man and be strong
I've drove myself insane wishing I could touch your face
But the truth remainsYou're gone, you're gone
You're gone, you're gone
You're gone, you're goneWhat will I do if I can't be with you?
Tell me where will I turn to, baby, who will I be?
Now that we are apart, am I still in your heart?
Baby, why don't you see that I need you here with me
OhI've been sittin' here, can't get you off my mind
I'm tryin' my best to be a man and be strong
I've drove myself insane wishing I could touch your face
But the truth remainsI've been sittin' here, can't get you off my mind
I'm tryin' my best to be a man and be strong

I've drove myself insane wishing I could touch your face
But the truth remainsYou're gone, you're gone
You're gone, you're gone
Baby girl, you're gone, you're gone
But the truth remains you're
