Walk Fast

Kate Taylor

Walk fast, you better walk fast
If you're gonna walk over me
'Cause I won't be a part of your plan
If you're gonna make a dog out of me
Talk fast you better talk fast
Hope you got something good to say
All ears pretty momma won't hear
But you've gotta play fair today
'Cause I don't wanna believe that
It's over, it's over
'Cause if you want me to love you
You better open up the door
And if you wanted to love me
You wouldn't leave me wanting more
'Cause all I wanted was to love you
I wanted to love you
Oh, don't you see me wanting more?
Think twice, you better think twice
Think you're gonna make a fool out of me
Back down, you better back down
Don't give me no third degree
'Cause I don't wanna believe that
It's over, it's really over, no
'Cause if you want me to love you
You better open up the door
And if you wanted to love me
You wouldn't leave me wanting more
'Cause all I wanted was to love you
I wanted to love you
Oh, don't you see me wanting more? Yeah
I never thought it would be easy
If this is it then please release me, no
Before we let it get too late
Got to find a better way
Before we let it get too late, little pretty
My pretty little thing
'Cause if you want me to love you
You better open up the door
And if you wanted to love me

You wouldn't leave me wanting more
'Cause all I wanted was to love you
I wanted to love you
Oh, don't you see me wanting more?
Oh, baby, don't you, don't you
See me wanting more?
Baby, don't you, don't you
See me wanting more love?
We got to find a better way
Before we let it get too late
Got to find a better way
We got to find a better way
We got to find a better way
We got to find a better way
