

Teddy Bear

Cheryl

I like the way you say that I'm your lady
I love the way you say I'm hot
I even like the way you think I'm crazy
I never hope you say I'm not One and only
You're perfect for me
I'm so safe in your arms
You're a keeper
And I won't leave ya
You'll always have my heart 'Cause baby you're my teddy bear
Ooh yeah ooh yeah
Oh baby you're my teddy bear
Ooh yeah ooh yeah
It took a little while to find
But I'm so damn glad you're mine
Baby you're my teddy bear
Don't you ever go away
Don't you ever go away Out of all the one's I've played with
You're my favorite
And all the others don't come close
Damn you make me wish
I would've waited
'Cause you're the one I love the most One and only
You're perfect for me
I'm so safe in your arms
You're a keeper
And I won't leave ya
You'll always have my heart 'Cause baby you're my teddy bear
Ooh yeah ooh yeah
Oh baby you're my teddy bear
Ooh yeah ooh yeah
It took a little while to find
But I'm so damn glad you're mine
Baby you're my teddy bear
Don't you ever go away
Don't you ever go away
Ooh yeah So it's just me and you
No way we can lose
I got your back
You got my back

We got this forever
So they can say what they want
They won't hurt us
I don't even care
Let them interfere
You're still gon' be right here
Yes you are 'Cause baby you're my teddy bear
Ooh yeah ooh yeah
Oh baby you're my teddy bear
Ooh yeah ooh yeah
It took a little while to find
But I'm so damn glad you're mine
Baby you're my teddy bear Don't you ever go away
Don't you ever go away
I'm here to stay baby
Don't go away baby
