Hey, Mona
Hey hey hey, Mona
Oh, MonaI'm gonna tell you, Mona, what I wanna do
I wanna build my house next door to you
Can I make love to you once in a while?
Oh, maybe we can go kissing [Incomprehensible]When I come out on the front
You'll listen to my heart goin' bumpity bump
I need you, baby and it ain't no lie
When I'm through lovin' I'll surely dieHey, Mona
Ooh, Mona
Hey hey hey, Mona
Ooh, MonaI'm gonna tell you, Mona what I wanna do
Wanna build a house next door to you
Oh, can I make love to you once in a while?
Yeah, we can go kissing [Incomprehensible]When I come out on the front
Girl, you'll listen to my heart goin' bumpity bump, bumpity bump
Well, I need you, baby, and it ain't no lie
Well, without your loving I'll surely dieHey, Mona
Ooh, Mona
Hey hey hey, Mona
Ooh, Mona
