

Train Kept A Rollin

Stray Cats

I caught a train
I met a dame
She was a hipster
And a real gone girl
She was pretty
From New York City
And we trucked on down
That old fairlane
With a hi and a ho Well I still couldn't let her go
Get along
Tricky little woman get along
You better be on your way get along
Sweet little woman get along
Be on your way
With a hi and a ho
I just couldn't let her go Well the train kept a rollin'
All night long
Train kept a rollin'
All night long
Train kept a rollin'
All night long
Train kept a rollin'
All night long
With a hi and a ho
Well I just couldn't let her go We made a stop
In Albuquerque
She musta thought
That I was real gone jerk
We got off the train
At El Paso
But love was so good Jack
I couldn't let her go
So get along
I just couldn't let her go
The train kept a rollin'
All night long
Train kept a rollin'
All night long
Train kept a rollin'

All night long
Train kept a rollin'
All night long
With a hi and a ho
I Still couldn't let her go
