Traffic And Weather

Fountains Of Wayne

5:40
Channel Six news team
Breaking story bout a get-rich-quick scheme
One anchor turns and faces the other
Says it?s time that I made you my lover
Oooh we belong together
Like traffic and weather
Like traffic and weather
Oooh we belong together
Like traffic and weather
Like traffic and weather
Like traffic and weather
Like traffic and weather
Every twenty we got business reports
We're gonna take a break and then we're right back with sports
Hey Dan I like those shorts
I've never seen em before
I'd like em even more Lying on my bedroom floor
Don't run away baby, hear what I say
You know I sit here reading to you day after day

Don't be scared, sit back down in your chair
All I want to do is Just stroke your hair
Oooh we belong together
Like traffic and weather
Like traffic and weather
Oooh we belong together
Like traffic and weather
Like traffic and weather
Like traffic and weather
Like traffic and weather
Chuck Scarborough turns to Sue Simmons
Says sugar you don't know what you're missin'
Oooh we belong together
Like traffic and weather
Like traffic and weather
Oooh we belong together
Like traffic and weather
Like traffic and weather

Like traffic and weather
Like traffic and weather
