

# Angry Eyes

## Mindsnare

Time, time and again I see you staring down at me  
Now, then and again I wonder what it is that you see  
With those angry eyes  
Well, I bet you wish you could cut me down  
With those angry eyes

You want to believe that I am not the same as you  
And now I can't conceive, oh lord, of what it is you're trying to do  
With those angry eyes  
Well, I bet you wish you could cut me down  
With those angry eyes  
What a shot you could be if you could shoot at me  
With those angry eyes

You and I must start to realize  
Blindness binds us in a false disguise  
Can you see me through those angry eyes?

You try to defend that you are not the one to blame  
But I'm finding it hard, my friend, when I'm in the deadly aim  
Of those angry eyes  
Well, I bet you wish you could cut me down  
With those angry eyes  
What a shot you could be if you could shoot at me  
With those angry eyes
