

Operation

Deerhunter

Operation
cover your ears
You're not gonna like what you're gonna hear I hate you Operation
you're not here
You can't love what
you can't like What you fear Operation
cover your eyes
I don't wanna see you
I don't wanna feel you (Not) near me Operate
Operation Operation
cover your ears
You're not gonna like what you're gonna hear I hate you Operation
cover your ears
You can't love what
you can't like What you fear Oh
How did you know
It was so easy
to destroy her Operation
cover your eyes
I don't wanna see you
I don't wanna feel you
(Not) near me Operation
cover your ears
You're not gonna like what you're gonna hear I hate you
I hate you I hate you I hate you I hate you
