Guns N' Roses

Don't you don't you want to thrill me
Don't you be afraid to tell me
Tell me if you think it's ugly
But now don't you want to touch it anyway
I've been looking for a reject
And you ain't had nothing like me yet
Don't you think it's time for motion
I can take what you've been pushin'
Hey I know what to do
I'm gonna
Fuck
Fuck
Fuck
Fuck you
Fuck You
Yea I know what to do
I'm gonna
Fuck
Fuck
Fuck
Fuck you
Fuck you
I'm gonna
I'm the beast and you're the master
You're the meat of the matter
I'm no fool for discretion
When it's on the tip of my tongue
Don't you don't you want to thrill me
Don't you be afraid to tell me
Tell me if you think it's ugly
But now don't you want to touch it anyway
Hey I know what to do
I'm gonna
Fuck
Fuck
Fuck
Fuck you
Fuck you
Yea I know what to do

I'm gonna
Fuck
Fuck
Fuck
Fuck you
Fuck you
Hair of the dog
