

Love and Marriage

Frank Sinatra, Nelson Riddle and His Orchestra

Love and marriage, love and marriage
They go together like a horse and carriage
This I tell you brother
You can't have one without the other Love and marriage, love and marriage
It's an institute, you can't disparage
Ask the local gentry
And they will say, it's elementary Try, try, try to separate them
It's an illusion
Try, try, try, and you will only come
To this conclusion Love and marriage, love and marriage
They go together like the horse and carriage
Dad was told by mother
You can't have one, you can't have none
You can't have one without the other No Sir
